Precourse Questionnaire

Please answer the following questions regarding the Entomology course.

1. Why do you want to take Entomology? Be honest. If you just want the lab credit to graduate, say so.

2. What do you expect to learn in Entomology? Be as specific as you can.

3. List 3 things you already know about insects.

4. Write down your estimate for the total number of insect species on Planet Earth.

5. What phylum do insects belong to?

6. What is the sister group of the phylum that contains insects?

7. Why do you think insects are so successful ecologically and evolutionarily?
