

Lectures: Tu/Th from 12:25 -1:45 PM in ASB 220 (a ~3-5' break be provided mid-class most days).

Biology 2020 is a 3 hour class. The University defines one credit hour as "...approximately three clock hours of the student's time a week for one semester." A typical 2020 student should expect to spend approximately nine hours per week on this course, including in-class time and time spent outside of class.

Enforced prerequisites: BIOL 1210 and CHEM 1210. Permission codes should be requested through <http://www.biology.utah.edu/undergraduate/requests/requests.php>

Instructor: David L. Gard **Office:** 101 Building 44 **Phone:** 801-581-7365 **E-mail:** gard@biology.utah.edu

Office hours: I am available to meet with students most Wednesdays from 12:45 - 1:45PM.. I also conduct a discussions on Wednesday mornings (see schedule below).

Open office policy: I am in my office most weekdays (please remember that I will be prepping for lecture on Tues and Thurs mornings!). If my office door is open, I am happy to meet with students... feel free to drop-in.

Teaching Assistants: I will be assisted by 6 undergraduate Teaching Assistants (TAs). TAs lead weekly discussion sessions (schedule and locations below) and conduct tutoring sessions in the Biology Learning Center (103 BIOL; see schedule below). For additional help, please contact one of your TAs.
