

BIOLOGY 2325 - HUMAN ANATOMY

SUMMER TERM 2017

Schedule of Laboratories

Laboratory sections: Thursday – 10:00-12:00, 12:30-2:30, 3:00-5:00, 5:30-7:30

Laboratory location: South Biology, Room B03

Note to students: Laboratories 1-10 begin with a quiz. You will use the Laboratory Manual (on the course website) and the Interactive Atlas (also on the course website) to prepare for the weekly quizzes. Additional information is available in the laboratory introduction online. Practical quizzes and exams must be taken on the day for which they are scheduled. **There will be no exceptions to this policy** due to the logistics associated with setting up and proctoring practical quizzes and exams. Please print this schedule and keep it with you. **You are responsible for all the dates, times and places.**

May	18	NO LAB SESSIONS THIS WEEK - Read through laboratory introduction on course website
	25	Laboratory 1: Appendicular Skeleton
June	1	Laboratory 2: Introduction to Soft Tissues, Cardiovascular System
	8	Laboratory 3: Urinary, Respiratory, and Digestive Systems
